

Application Process:

You're Assurance of Impartiality

Your first step to residency is a tour of Willamette View with a Marketing Associate. The process of applying for entrance then follows in three parts: completion of the Confidential Application for Residency form with income and asset verification documents, a personal interview of each applicant with Willamette View's Wellness Counselor, and submission of a \$1,500 refundable application deposit. Your application is then reviewed following Willamette View's Residency Application Guidelines Policy. For those applying to enter directly into a health care setting – the Terrace or Health Center – there is an additional assessment at no charge to applicant for care level placement made prior to approval of application.

After application approval, and 30 days before moving into your new residence, you will also submit a completed confidential Health History form and physical exam report by your own personal physician.

All Are Welcome
